MMXXIII

Elevated to a New Level

Back for another year, the annual HSEL Nationals 2023 returns as an extension of the 2022-2023 scholastic esports competitive season!

This tournament will use the GSL Groups format. Teams will be sorted into 2 groups of 4 and begin by competing in a double elimination bracket.

The top 2 participants from both groups will move on to the next stage, which is a single-elimination playoff.

All teams will be competing for the chance to win \$100,000 in total scholarships across all games (in-person and online).
